Membership Information Form

Gift Memberships:

With the holiday season approaching, consider giving Thompson Historical Society gift memberships to friends and relatives. A Society member can sign up a new member for a year for just \$5.00.

Our Historical Society Newsletter:

We have a newsletter for each season: Fall, Winter, Spring and Summer. The Summer newsletter is the last of the 4 newsletters that cover the Society season.

This is your newsletter, folks. If you send us questions, we'll answer them. If you send in letters or stories, we'll print them (within reason of course). If you send in photographs, we'll use the best of them.

One way to help the Society is to send in material for the newsletter. Let's hear from those local writers!

How do I know if my membership is up to date?

Beginning with the Winter 2003 newsletter, the mailing label will give you information about your Society membership status. Above your name and address, there is a Code line similar to that shown in the block at right.

****99999** S** 6/30/2004!****

**Doon Ot Ngo
P.O. Box 139999
Thompsonium, CT 99999**

The Code line is deciphered as follows:

****99999**** is the recipient's zip or postal code. The "S" shown in the Code line example above indicates that this member is a sustaining / contributing member. Other codes are P for individual member, F for a family member, M for lifetime member and X for a Society membership donation.

The final code is a date, as in the example above—6/30/2004. This date indicates when your membership expires. If the date shown on your label has passed, then your membership dues are not current.

Hopefully this system will help everyone know their standing in the Society.

Our membership helps out in many ways. The effort behind the newly opened Museum at the Ellen Larned Building demonstrates the power of our organization's volunteers. Look at all of the different ways the volunteers helped out! Our thanks to all of you listed below and those who labored on the many Society projects and tasks. Big and small, we'll thank you all.....and apologies if we've left anyone out.
